From Eimear McBride, author of the award-winning A Girl Is a Half-formed Thing, comes the beguiling travelogue of a woman in exile: from her past, her ghosts, and herself. A nameless woman enters a hotel room. She ' s been here once before. In the years since, the room hasn ' t changed, but she has. Forever caught between check-in and check-out, she will go on to occupy other hotel rooms. From Avignon to Oslo, Auckland to Austin, each is as anonymous as the last but bound by rules of her choosing. There, amid the detritus of her travels, the matchbooks, cigarettes, keys and room-service wine, she negotiates with her memories, with the cliché s invented to aggravate middle-aged women, with those she has lost or left behind--and with what it might mean to return home. Urgent and immersive, filled with black humour and desire, McBride ' s Strange Hotel is a novel of enduring emotional force.

The blistering non-fiction debut from the author of the critically acclaimed A Girl is a Half-formed Thing "As heard on BBC Radio 4's Woman's Hour" "A fearless, interrogative work ... A fierce and fascinating manifesto in McBride's persuasive prose' Sin é ad Gleeson Here, Eimear McBride unpicks the contradictory forces of disgust and objectification that control and shame women. From playground taunts of 'only sluts do it' but 'virgins are frigid', to ladette culture, and the arrival of 'ironic' porn, via Debbie Harry, the Kardashians and the Catholic church - she looks at how this prejudicial messaging has played out in the past, and still surrounds us today. In this subversive essay, McBride asks - are women still damned if we do, damned if we don't? How can we give our daughters (and sons) the unbounded futures we want for them? And, in this moment of global crisis, might our gift for juggling contradiction help us to find a way forward? 'A satisfying feminist polemic' Susie Orbach 'Remarkable' Scotsman 'Eimear McBride is that old fashioned thing, a genius' Guardian
