The story is about a boy named Lwando and his cute sister Oyiso, who sometimes becomes angry and furious when something upsets her. But fortunately for Oyiso, her brother understands her well and always tries to quell her anger. But despite that, there may be days when he can't console his sister, and may even react with anger too!! Can Lwando learn where the mistake is? The benefits of the story is

that it emphasizes the good treatment of the older brother with his younger siblings, feeling responsible towards them, and be a model for them. With the absence of the parents sometimes, the young child will find only one of his older brothers or sisters to console him, take care of him, and protect him. So, we advise the parents to give this story its due, and not to make it just papers with attractive drawings and bright colors. Our goal is to teach children virtuous morals and warn them against every reprehensible behavior, so let us strive to achieve this goal. The book consists of a colorful drawings expressing the cases of Lwando, Oyisa, and other people during some days of the week, with clear and short sentences, to make it easier for the child to read and understand its meaning.

Whatever may be thought of the somewhat aristocratic pretensions of the lion, as the dog, after all, has the reputation of being the most intelligent of the inferior animals, I will allow this interesting family the precedence in these stories, and introduce them first to the reader. For the same reason, too—because they exhibit such wonderful marks of intelligence, approaching, sometimes, almost to the boundary of human reason—I shall occupy much more time in relating stories about them than about any other animal. Let me see. Where shall I begin? With Rover, my old friend Rover—my companion and play-fellow, when a little boy? I have a good mind to do so; for he endeared himself to me by thousands of acts of kindness and affection, and he has still a place of honor in my memory. He frequently went to school with me. As soon as he saw me get my satchel of books, he was at my side, and off he ran before me toward the school-house. When he had conducted me to school, he usually took leave of me, and returned home. But he came back again, before school was out, so as to be my companion homeward. I might tell a great many stories about the smartness of Rover; but on the whole I think I will forbear. I am afraid if I should talk half an hour about him, some of you would accuse me of too much partiality for my favorite, and would think I had fallen into the same foolish mistake that is sometimes noticed in over-fond fathers and mothers, who talk about a little boy or girl of theirs, as if there never was another such a prodigy. So I will just pass over Rover's wonderful exploits—for he had some, let me whisper it in your ear—and tell my stories about other people's dogs.

Meet Chloe: Every week, she collects loose change so she can buy tickets to ride the merry-go-round. But one fateful day, she gets lost in the woods on her way home, and a large dragon leaps out from—"Wait! It's supposed to be a lion," says Mac Barnett, the author of this book. But Adam Rex, the illustrator, thinks a dragon would be so much cooler (don't you agree?). Mac's power of the pen is at odds with Adam's brush, and Chloe's story hangs in the balance. Can she help them out of this quandary to be the heroine of her own story? Mac Barnett and Adam Rex are a dynamic duo, and two of the strongest contemporary voices in picture books today. In an accessible and funny way, Chloe and the Lion talks about the creative process and the joys and trials of collaboration.

The only book in English for readers of all ages by Nobel Prize-winning novelist Olga Tokarczuk is a beautifully illustrated meditation on the fullness of life. "Olga Tokarczuk's *The Lost Soul*, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is." —New York Times "The Lost Soul, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world." —Guardian *The Lost Soul* is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. "Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares..." —from *The Lost Soul* *The Lost Soul* is a sublime album, a rare delicacy that will delight readers young and old. "You must find a place of your own, sit there quietly and wait for your soul." Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), *The White Raven* (IJB Munich), and the ?ód? Design Festival Award.
