UGMA /UTMA Accounts. The adult (or Custodian) who opens the account can manage the money and investments until the minor reaches the "age of majority." That age is usually 18 or 21, depending on the Custodian's state. The money in a custodial account is the property of the minor.

Official Stash Support

An account manager must be able to demonstrate fairness and honesty when working with others while representing the values of your organization. They should accept people as they are and find creative ways to overcome differences while retaining their clients and serving them in a mutually beneficial relationship. What to look for in an answer:
