Peggy Hawley wrote *Being Bright is Not Enough* to help students get over the final hurdle of writing their dissertation to complete the journey toward a Ph.D. in the social and behavioral sciences. Inspired by the large number of bright and talented students who remain ABD (all but dissertation), Hawley leveraged her decades of experience working with Ph.D. students and conducted interviews with hundreds of students to write a book she hoped will mentor students toward success.

Amazon.com: Customer reviews: Being Bright Is Not Enough ...

Being Bright is Not Enough is a cursory overview of the stages within doctoral study. Though written for students, Hawley's text pays little attention to the overall context of doctoral study before and after the Ph.D. Cleanly written and efficient, Hawley's text is useful for those needing an introduction to the process of doctoral study but unnecessary for anyone actually involved in it.
