Newbery Honor author Kathryn Lasky's MARIE ANTOINETTE is back with a gorgeous new package! To forge an incredibly powerful political alliance, thirteen-year-old Marie Antoinette of Austria is betrothed to Dauphin Louis Auguste, who will one day be the king of France. To prepare her for th...

Austria-France, 1769. Marie Antonia of Vienna has her whole life mapped out ahead of her. She is to marry Dauphin Louis Auguste, eldest grandson of King Louis XV. As his wife, she will be called Marie Antoinette and will be the highest princess of France. Upon the death of the King, she will become Queen Marie Antoinette. But she dreads both new roles.

In 1769, thirteen-year-old Maria Antonia Josepha Johanna, daughter of Empress Maria Theresa, begins a journal chronicling her life at the Austrian court and her preparations for her future role as queen of France.

In this dazzling new vision of the ever-fascinating queen, a dynamic young historian reveals how Marie Antoinette's bold attempts to reshape royal fashion changed the future of France Marie Antoinette has always stood as an icon of supreme style, but surprisingly none of her biographers have paid sustained attention to her clothes. In *Queen of Fashion*, Caroline Weber shows how Marie Antoinette developed her reputation for fashionable excess, and explains through lively, illuminating new research the political controversies that her clothing provoked. Weber surveys Marie Antoinette's "Revolution in Dress," covering each phase of the queen's tumultuous life, beginning with the young girl, struggling to survive Versailles's rigid traditions of royal glamour (twelve-foot-wide hoopskirts, whalebone corsets that crushed her organs). As queen, Marie Antoinette used stunning, often extreme costumes to project an image of power and wage war against her enemies. Gradually, however, she began to lose her hold on the French when she started to adopt "unqueenly" outfits (the provocative chemise) that, surprisingly, would be adopted by the revolutionaries who executed her. Weber's queen is sublime, human, and surprising: a sometimes courageous monarch unwilling to allow others to determine her destiny. The paradox of her tragic story, according to Weber, is that fashion—the vehicle she used to secure her triumphs—was also the means of her undoing. Weber's book is not only a stylish and original addition to Marie Antoinette scholarship, but also a moving, revelatory reinterpretation of one of history's most controversial figures.

Sebastien relates the life of Marie Antoinette as she goes from being a teenager devoted to him, her pug dog, to becoming the Queen of France and mother to two children.

political alliance, thirteen-year-old Marie Antoinette of Austria is betrothed to Dauphin Louis Auguste, who will one day be the king of France. To prepare her for this awesome responsibility, she must be trained to write, read, speak French, dress, act . . . even breathe. Things become more difficult for her when she is separated from her family and sent to the court of Versailles to meet her future husband. Opinionated and headstrong Marie Antoinette must find a way to fit in at the royal court, and get along with her fiancé. The future of Austria and France falls upon her shoulders. But as she lives a luxurious life inside the palace gates, out on the streets the people of France face hunger and poverty. Through the pages of her diary, Marie captures the isolation, the lavish parties and gowns, her struggle to find her place, and the years leading up her ascendance of the throne . . . and a revolution.

Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor's teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth's own father, Henry VIII; her jealous half sister, Mary, has her locked away in the Tower of London; and her only love interest betrays her in his own quest for the throne. Told in the voice of the young Elizabeth and ending when she is crowned queen, this second novel in the exciting series explores the relationship between two sisters who became mortal enemies. Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became one of England's most powerful monarchs and the sister who tried everything to stop her.

Imagines the early life of the doomed eighteenth-century queen, who at a young age learns from her mother, the ambitious Empress of Austria, that she must leave her coddled life in the Austrian court to marry the dauphin of France.

The true story of the woman who befriended the last queen of France—and the price she paid for her devotion. Perhaps no one knew Marie Antoinette better than one of her closest confidantes, Marie Thérèse, the Princess de Lamballe. The princess became superintendent of the queen's household in 1774, and through her relationship with Marie Antoinette, she gained a unique perspective of the lavishness and daily intrigue at Versailles. Born into the famous House of Savoy in Turin, Italy, Marie Thérèse was married at the age of seventeen to the Prince de Lamballe, heir to one of the richest fortunes in France. He transported her to the gold-leafed and glittering chandeliered halls of the Château de Versailles, where she soon found herself immersed in the political and sexual scandals that surrounded the royal court. As the plotters and planners of Versailles sought, at all costs, to gain the favor of Louis XVI and his queen, the Princess de Lamballe was there to witness it all. This book reveals the Princess de Lamballe's version of these events and is based on a wide variety of historical sources, helping to capture the waning days and grisly demise of the French monarchy. The story immerses you in a world of titillating sexual rumors, bloodthirsty revolutionaries, and hair-raising escape attempts—a must read for anyone interested in Marie Antoinette, the origins of the French Revolution, or life in the late eighteenth century.
