Stationary Engineer - Anne Arundel
Community College

Training and Education. According to the U.S. Bureau of Labor Statistics (BLS, www.bls.gov), many stationary engineers learn their trade on the job as apprentices. The International Union of Operating Engineers (IUOE, www.iuoe.org) sponsors several apprenticeships around the United States. Most last about four years, and apprentices earn around 40-60% of the salary of a fully qualified engineer, with regularly scheduled raises occurring throughout the apprenticeship.
